

Cable seal FC-GS01

Name: Hexagon Head cable seal

Application: Containers、tanker truck、meters、postal parcels and so on.

Material: Inner Steel head wrapped with ABS plastic outside

Dimension: Please take the following drawing for reference.

Average tensile strength: >2500N

Customization: Logo, bar code or other info. can be customized on the seal

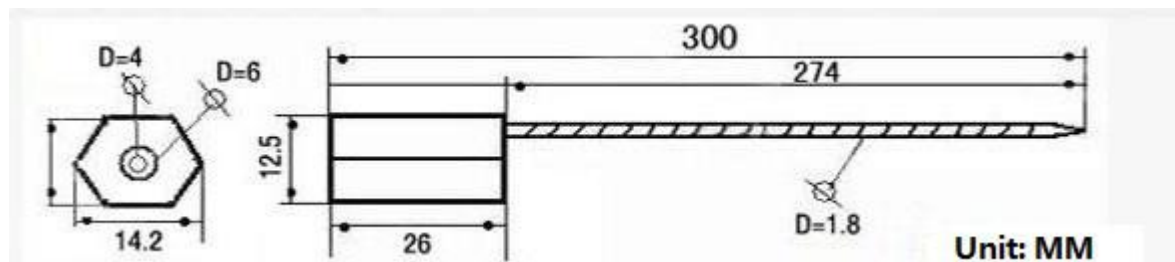

Colors: red, yellow, blue, green, white, purple, other colors can be customized

Size of Matched steel cable: $\varnothing$ 1.8mm x 25cm, length can be customized.

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 25 x 20 cm

Gross/net weight: 14.5kg/14kg

Cable seal FC-GS02

Name: Hexagon Head cable seal

Application: Containers、tanker truck、meters、postal parcels、valves and so on.

Material: Inner Steel head wrapped with ABS plastic outside

Dimension: Please take the following drawing for reference.

Average tensile strength: >2500N

Customization: Logo, bar code or other info. can be customized on the seal

Colors: red, yellow, blue, green, white, purple, other colors can be customized

Size of Matched steel cable: $\varnothing$ 1.8mm x 25cm, length can be customized.

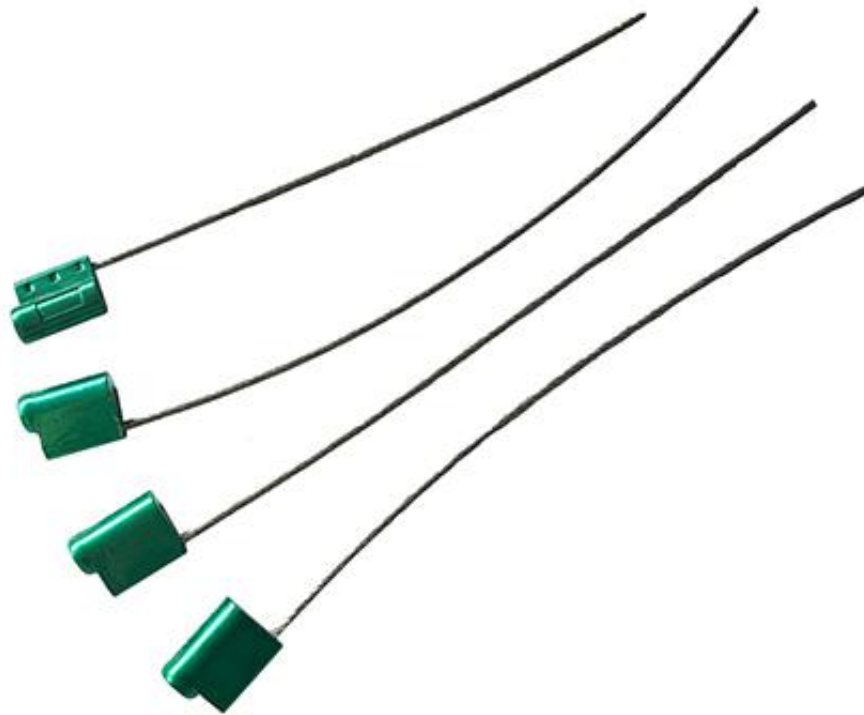

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 30 x 20 cm

Gross/net weight: 15.5kg/15kg

Cable seal FC-GS03

Name: Cable seal GS03

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Zinc alloy lock body matched with galvanized steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: $\varnothing 1.5$, 1.8mm, 2.5mm, 3.5mm,; Standard length: 250mm, or upon customers' requests.

Tensile strength: >2500N

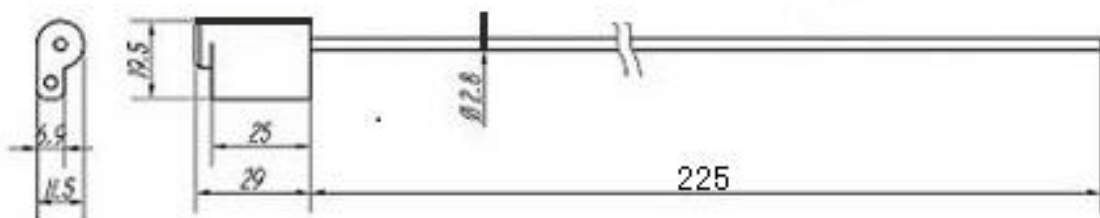

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or lazer on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

Package: 50pcs/bag, 10bags/carton

Carton dimension: 35 x 25 x 16 cm

Gross/Net weight: 15kg/13.4kg

Cable seal FC-GS04

Name: Cable seal GS04

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Aluminum alloy lock body matched with galvanized rust-proof steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: $\varnothing 1.5$, 1.8mm, 2.5mm, 3.5mm,; Standard length: 250mm, or upon customers' requests.

Tensile strength: >2500N

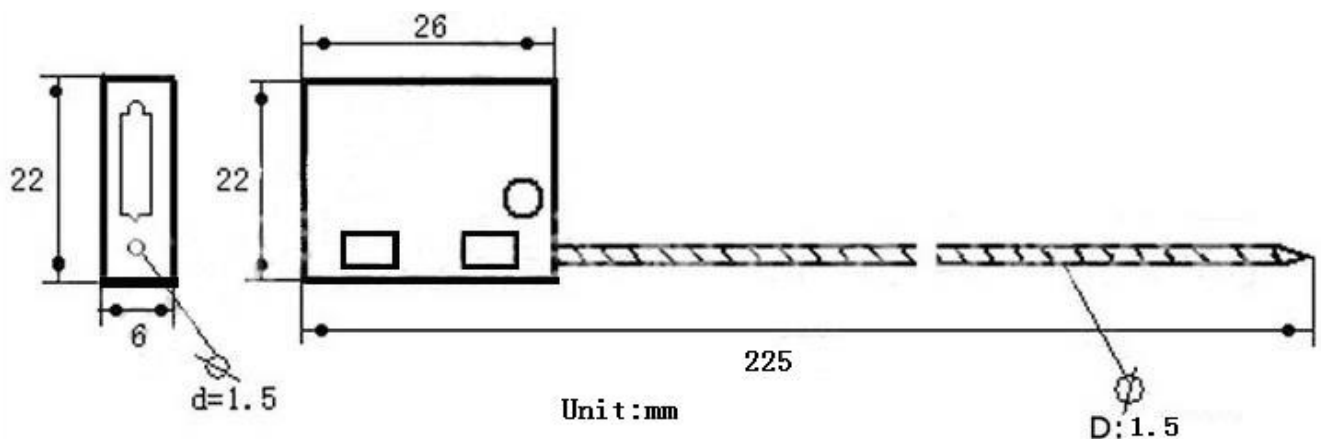

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or lazer on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 30 x 20 cm

Gross/Net weight: 15kg/13.5kg

Cable seal FC-GS05

Name: Cable seal GS05

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Aluminum alloy lock body matched with galvanized rust-proof steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: $\varnothing 1.5, 1.8\text{mm}, 2.5\text{mm}, 3.5\text{mm},$; Standard length: 250mm, or upon customers' requests.

Tensile strength: $>2500\text{N}$

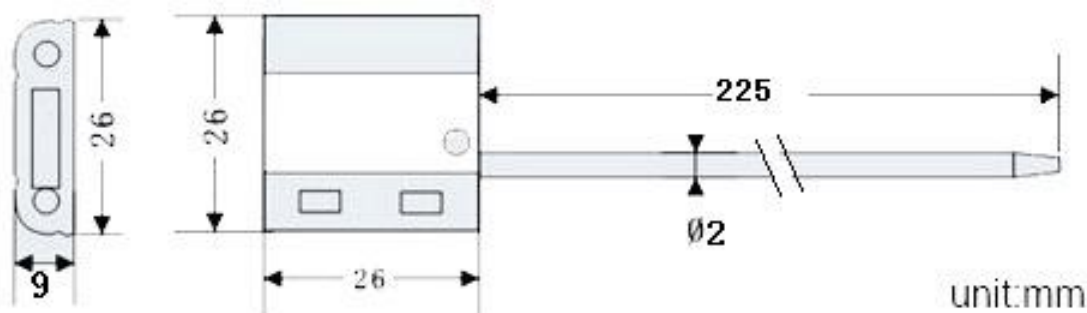

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or lazer on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

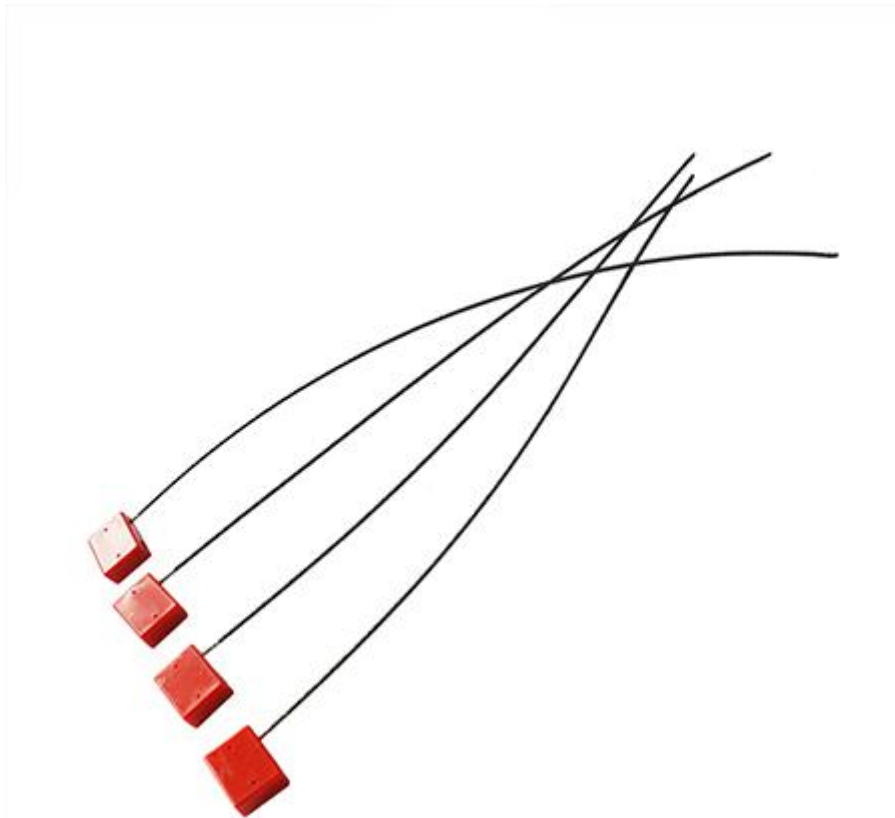

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 30 x 20 cm

Gross/Net weight: 17.5kg/16.5kg

Cable seal FC-GS06

Name: Cable seal GS06

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Aluminum alloy lock body rapped with ABS out shell, build-in with galvanized rust-proof steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: Ø1.5, 1.8mm, 2.5mm, 3.5mm,; Standard length: 250mm, or upon customers' requests.

Tensile strength: >2500N

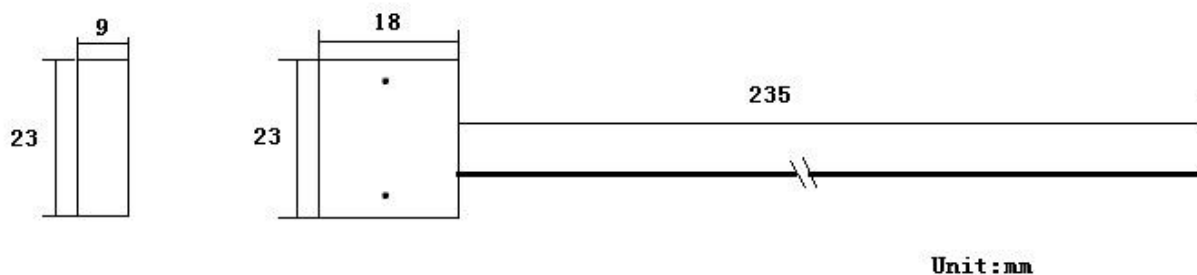

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or lazer on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 30 x 20 cm

Gross/Net weight: 12.8kg/12kg

Cable seal FC-GS07

Name: Hexagon Head cable seal

Application: Containers、tanker truck、meters、postal parcels and so on.

Material: Inner Steel head wrapped with ABS plastic outside

Dimension: Please take the following drawing for reference.

Average tensile strength: >2500N

Customization: Logo, bar code or other info. can be customized on the seal

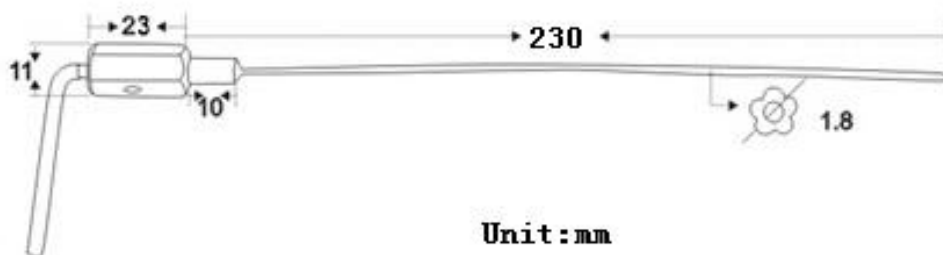

Colors: red, yellow, blue, green, white, purple, other colors can be customized

Size of Matched steel cable: $\varnothing$ 1.8mm x 25cm, length can be customized.

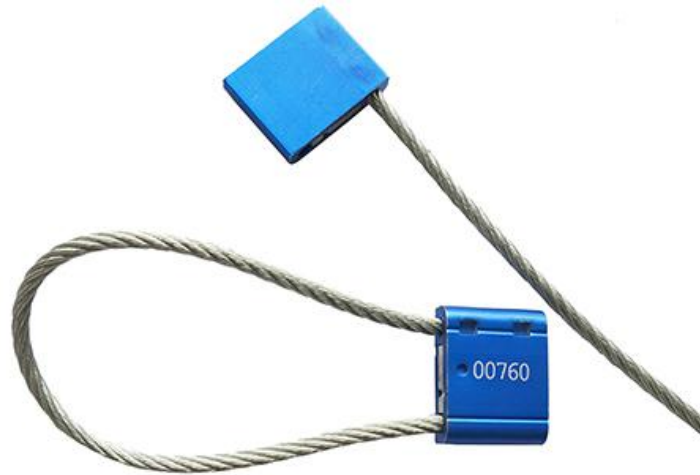

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 25 x 25 cm

Gross/net weight: 16.5kg/15.5kg

Cable seal FC-GS08

Name: Cable seal GS08

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Aluminum alloy lock body matched with galvanized rust-proof steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: $\varnothing 5.2\text{mm}$; Standard length: 250mm, or upon customers' requests.

Tensile strength: >2500N

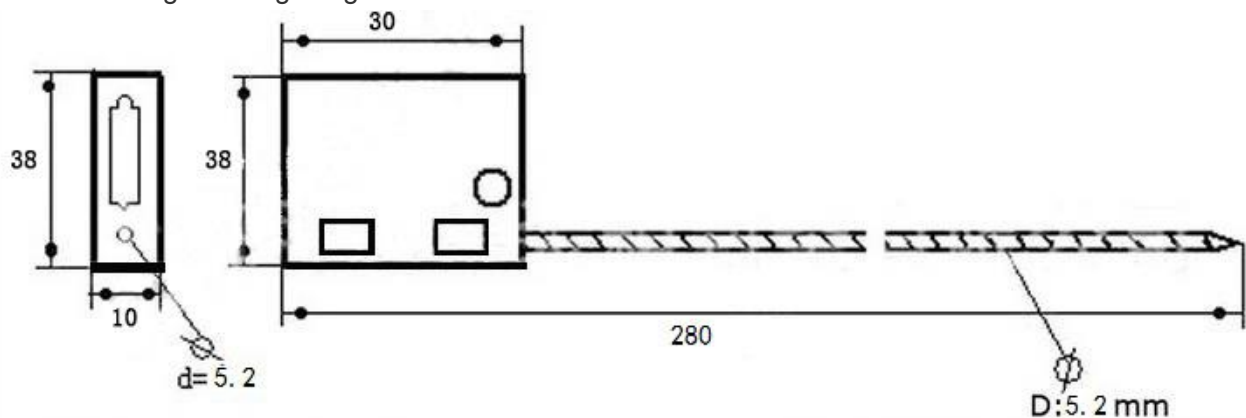

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or lazer on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

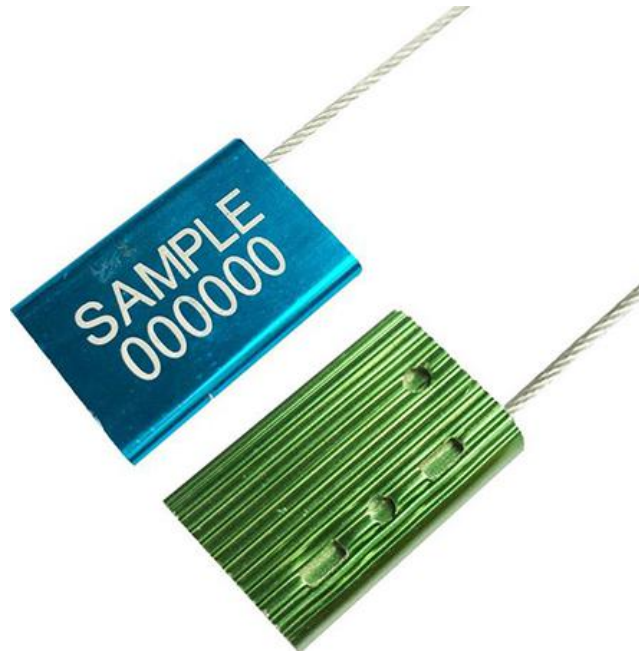

Package: 25pcs/bag, 10bags/carton

Carton dimension: 30 x 30 x 20 cm

Gross/Net weight: 16kg/15kg

Cable seal FC-GS09

Name: Cable seal GS09

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Aluminum alloy lock body matched with galvanized rust-proof steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: $\varnothing 1.5$, 1.8mm, 2.5mm, 3.5mm,; Standard length: 250mm, or upon customers' requests.

Tensile strength: >2500N

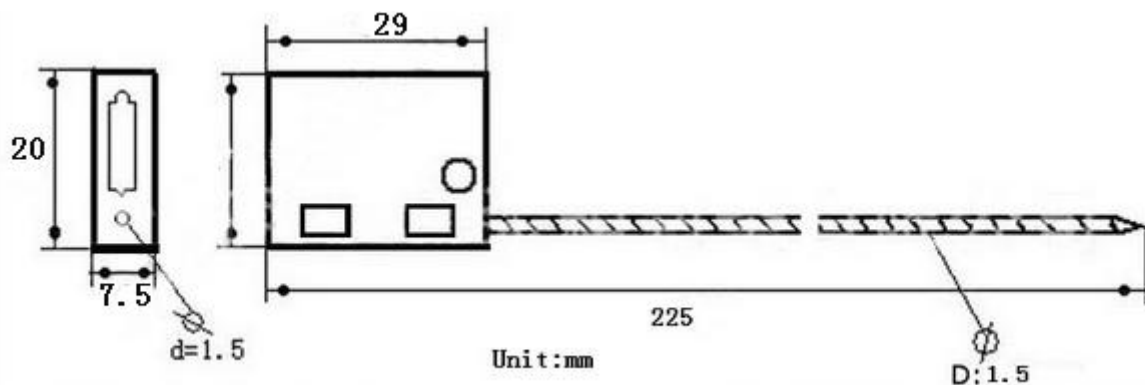

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or lazer on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 30 x 20 cm

Gross/Net weight: 15kg/13.5kg

Cable seal FC-GS10

Name: Cable seal GS10

Application: All kinds of trucks, containers, tanker trucks, cash trucks. etc

Material: Aluminum alloy lock body matched with galvanized rust-proof steel cable

Lock body dimension: Please refer to the following drawing

Matched steel cable: Ø1.5, 1.8mm, 2.5mm, 3.5mm,; Standard length: 250mm, or upon customers' requests.

Tensile strength: >2500N

Customization: Customers' logo, serial numbers, bar code or any other info. can be heat printed or laser on the lock body.

Color: Red, yellow, blue, green, white, purple, and any other colors can be customized.

Package: 100pcs/bag, 10bags/carton

Carton dimension: 35 x 30 x 20 cm

Gross/Net weight: 15kg/13.5kg
