

FC100

Feature

- Die-casting pump ourselves to ensure quality
- High quality mechanical seal support
- Strong pump body support
- Bulky displacement and higher head

◆Specification

Model	FC100
Suction diameter	4" (100mm)
Discharge diameter	4" (100mm)
Total head	23m
Suction lift	8m
Max. flow	1600L/min
Pump body	Aluminium alloy
Impeller	Cast iron
Mechanical seal	Carbon-Ceramic
Min. Driving power	6.3kW
Working speed	3600RPM
Length	310mm
Width	270mm
Height	490mm
Weight	16kg
